

Equatorial

5 ' / pix, 520x350 pix

(158.906, 3.583)

The diagram illustrates a coordinate system with two overlapping grids. A solid grid is centered at the origin, with a central intersection labeled (158.906, 3.583). A dotted grid is offset from the solid grid, with its central intersection also at the origin. The text 'Equatorial' is positioned at the top, and '5 ' / pix, 520x350 pix' is on the left side. The dotted grid lines are slightly curved, while the solid grid lines are straight.
